OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 10 April 1968

25X1 1. [] Talked with Senator Milton Young's office who indicated the Senator would like to receive a little informal briefing from the Agency on Friday, 12 April, at 10:15 a.m. I indicated that this time would be satisfactory with us.

25X1 2. [] Talked with Phil Kelleher, House Armed Services Committee staff, reviewing with him his travel plans to the Far East. He will give me a detailed itinerary tomorrow. He is travelling with Representative Charles S. Gubser and Representative Donald J. Irwin. It was suggested that if Kelleher would like some Agency contacts, we would suggest out of his stops possibly [] 25X1A [] We will firm this up and send appropriate cables. In addition, I pointed out again how our annuitants were falling behind and urged Mr. Kelleher to do what he could with Mr. Philbin to have the Committee sit on this. He stated he would take this up again with Mr. Philbin.

25X1 3. [] Talked to Vincent Augliere concerning his proposed luncheon with a member of the Soviet Embassy, Boris Sedov. After reviewing the matter, he came to the conclusion that he probably would like to cancel this out.

25X1 4. [] Talked with Jim Kendall, Senate Preparedness Investigating Subcommittee staff, and delivered to him [] 25X1 Summary and one copy of the transcript of yesterday's briefing. Receipts were obtained for both of these. It was agreed further with Kendall that if Colonel Brower, on behalf of the Pentagon, wished to review the transcript, the Agency would have no objection. Kendall stated that if Brower asked him he would permit him to read the Subcommittee's copy. Subsequently, I advised Brower of this arrangement which was satisfactory to him. I also indicated the change in the reporter's transcript from "Director of Central Intelligence Agency" to "Director of Central Intelligence" and explained the significance. I asked Kendall if he had any more he could help us with on the gap in the early warning radar. He stated he had none and for us to just forget the problem.

6. [] Met with Mr. John Reddon and Labre Garcia, Hardy Defense Posture Subcommittee staff. They advised that contact has been made with Department of State and informal arrangements made for State to appear some time after the Easter recess. I suggested that it would be beneficial, if possible, if we could appear sometime after the first of the month.
